H.O.A.S.T. Welcome Team Volunteer Positions. Please check (✓) all the jobs that interest you and we will do our best to match you with the job you request. Some jobs require a limited number of volunteers, so please return this application as quickly as possible.

- Artists' Assistants:** Work with the artists to mount and dismantle artwork for the event. Assigned locations will be predominately artists' studios and galleries. (Art students and artists, this is the volunteer spot for you.)
- Gallery Liaisons:** Gallery Liaisons will be assigned to be a part of the Gallery Crew. There are 7 or 8 galleries that will house the works of artists who are not showing in their private studio or home. Your task will be to manage the visitors' sign-in sheets and help with the general administration of the gallery or venue. (If you're an artist or an art lover, or enjoy organizing, this job will suit you fine.)
- Tour Guides:** Do you have a cheerful personality and like people? The Tour Guides will be on the scene at the transportation points and on the route of the tour. You will be one of the first of the Welcome Team to greet the HOAST visitors. (Artist information, bus schedules and general information will be provided to you.)
- Transportation Coordinators:** Work with the transportation team to coordinate the pick up and delivery of guests to the various galleries and artists' venues. Some knowledge of the Harlem community a plus but not mandatory.

Dates: Please check (✓) one or both dates Saturday, Sept. 9 Sunday, Sept. 10

Thank you for volunteering!

Everyone will receive their job assignments and be told when and where to report prior to the event.

The H.O.A.S.T. Welcome Team welcomes the 2nd Annual Harlem Open Artist Studio Tour to Harlem on September 9 and September 10, 2006. This event is a tour of visual artists' studios and galleries. OVER 100 artists will be exhibiting work in their studios, homes and galleries around Harlem, and well over 1,000 guests are expected to attend the event each day. Some assignments will require a brief training session.
